Mallorca Gym Cup - 18th February - On the 17th Feb our senior squad flew out to Majorca to take part in an international team competition. This was the first competition that our girls have done on the new code and there were some very experienced performers competing. We took two teams, one that competed in level 1 & the other in level 3. Our level 3 girls finished in 6th place as a team out of 14. Sydney had the best competition placing 5th Overall, 3rd on bars & 4th on beam. Poppy placed just behind her in 6th place with a 6th place on floor. Emily Cantwell hit a good bar routine to help the team score & Emily Sly showed off her new floor routine.

In the Level 1 competition the girls also placed in 6th as a team. Sophie placed 4th overall in her age group with a 3rd on vault & beam. Tilly came 5th in her age group with a 2nd on vault & 4th beam. Eleanor had a great competition to finish 1st overall & on bars with a 2nd on floor. Well done to Florence who stepped in at the last minute. She performed very well to place 5th on vault & bars.

We finished the weekend off with a trip to the beach on Sunday where the girls still had plenty of energy to play games.

The girls have quite a few competitions coming up in March starting with the Alpha factor comp on the 3rd March. Followed to by the Regional grade final & then the Nationals & compulsory grades. April will also be busy with the English Championships & then the Lucien Mus Cup in Belgium.
